

Gig Harbor High School Artists Guidelines for TideFest 2025

- **All items must be handcrafted. No commercial items will be accepted.** Artists with commercial items will be asked to leave and will not be invited back.
- The booth holder shall exhibit items for sale during business hours.
- Booths are not to be taken down until 4:00pm on Sunday.
- Artists will be responsible to bring their own tables, backdrops and change funds. Chairs will be provided. No nails may be used on any surfaces.
- Artists are responsible for payment of any/all sales taxes.

We require two things this year:

1. **Artist Release Form** – Before your arrival, please send in a signed copy of your artist release form. You may print it, sign it, and email a photo of the completed form back to me. *We must have this on file before you enter our campus for setup.*
 2. **Floor Protection** – To protect our school floors, please ensure there is proper protection under any metal shelving or other items that could scratch the surface. Also, check your dollies and carts—if they drag, they will cause damage.
- Please remove all trash and displays from the building.
 - No smoking on campus
 - Parking is limited and we would like to reserve as much parking on campus for customers as possible. We have space for you to park at the back of our building. As soon as you unload please park.
 - Each booth that needs electricity is limited to 500 watts. These are the strict guidelines from the Fire Marshal and failure to follow the diagram can result in loss of electricity upon the Fire Marshal's inspection on Saturday morning.
 - Artists must not touch or handle another artist's property unless asked to do so by that artist. Failure to follow this may result in your immediate dismissal and removal from the craft fair and could result in a rescinded invitation for the following year.
 - Make sure you have someone in charge of your booth at all times. We have artist relief by staff if needed.

We have WIFI, chairs, and refreshments available to you.

Information for 2026 TideFest will be posted on the website at tidefest.org

Your feedback is much appreciated. Please send your comments to
yeamana@psd401.net

Thanks again for your participation in our show.
